

WEDMORE 40 30 CHARITY CYCLE RIDE

TERMS & CONDITIONS 2018

Before completing your registration, please ensure you have read and understood the Terms and Conditions for the Wedmore 40 30 Charity Cycle Ride. You will not be able to complete your entry unless you confirm you have read and understood these.

1. This is a fundraising event for Weston Hospicecare (Registered Charity Number: 900328) and The Friends of St Mary's Church, Wedmore. Most of your entry fee goes towards covering the cost of the event and therefore you are strongly encouraged either to raise sponsorship money or to make a personal donation.
 2. You must start from Wedmore Playing Fields, Blackford Road, Wedmore, Somerset, BS28 4BS. You may not start from any other point. This applies to participants for all three distances, 30, 40 and 70 miles.
 3. The cut off time for participants on all routes shall be strictly 6pm: upon which any outstanding participants will be guided off the course.
 4. The registration fee is non refundable.
 5. At the discretion of the event organisers, an 'on the day' sign up policy may be initiated – this 'on the day' fee would be applicable after the date registrations close. However, this is entirely dependent on the total number of existing participants and an increased entry fee at organiser's discretion may apply. There is no guarantee implied that an entry place will be available to those who turn up 'on the day'.
 6. On the day you will be given a participant number. For your personal safety, you are not permitted to swap this number or allow anyone else to use your number. It must be fixed to the front of your cycle throughout the event.
 7. Any participant who is aged under 16 years old must be accompanied by an appropriate adult (over the age of 18) who is also registered for the event and agrees to take part with the younger participant at all times. The adult is responsible for registering the participant that is under 16 and must take full responsibility for both of their participation and safety.
 8. No alcohol or illegal substances are to be consumed whilst on the event.
 9. On the day, if you are unable to complete the ride it is imperative that you call the designated number which will be issued to you prior to the start on the day of the event.
 10. We ask that you return all of your sponsorship, or any personal donations, by 31st August 2018.
 11. A thorough Risk Assessment is completed by the event organisers in advance of the event. First aid will be available at the start / finish (interim point for 70 milers). In the event of an emergency you should call 999.
 12. All riders will be taking part at their own risk and are asked to take care when at the event and ensure they are equipped with suitable provisions, clothing, physical ability and that your cycle is in good roadworthy condition.

Riders are reminded this is a charity cycle ride and not a race and should take full personal responsibility, have appropriate insurance and be considerate to other road users.
- If you have not participated in a charity cycle ride before you are encouraged to read and be familiar with the advice provided from Cycling UK <https://www.cyclinguk.org/article/cycling-guide/how-to-prepare-for-your-first-charity-cycle-ride>
13. If the event is cancelled or postponed due to unforeseen circumstances out of the organiser's or hospice's control (such as unsafe weather conditions) the event registration fees are non-refundable.
